### What you will need to gain access to Ft Sam Houston

This gate is open 24 hours and persons entering will only have access to BAMC. All occupants of vehicles (over the age of 16) are required to present current photo identification with an expiration date (examples: military identification card, state drivers license or state identification card). If the vehicle does not have a valid DOD sticker a Visitor Daily Pass is required. To obtain the pass you must show your drivers license and explain the reason you are requesting access to the installation. You may be asked to show your motor vehicle registration and proof of insurance. All vehicles entering the installation are subject to search while on the installation.
